QUESTION A.1

Provide suitable labels for bracketed numbers (1 – 14)

[7 marks]

QUESTION A.2

Mrs I Diot approaches you for advice before the cheque is issued. Explain what is meant by the term ‘issued’.

[3 marks]
QUESTION A.3

Advise Mrs I Diot on five changes to make to fix noticeable omissions or errors on the cheque in order to protect Mrs I Diot and to ensure that only Joe Soap is paid. In your answer you will need to set out what each of the five changes are, what would be the consequence of not making your suggested changes and what effect each change will have.

SECTION B

QUESTION B.1

Your Client wants to sell imported goods. She doesn’t want to pay for the goods until they are shipped. Advise Client on the process of securing payment for the goods, the parties involved in the transaction (assuming that only two banks are involved), the likely requirements that each party may be required to satisfy and how payment may be processed. In the course of your answer you are required to describe the various functions banks may perform during the course of this transaction.

[15 marks]
QUESTION B.2

Set out the principal differences, giving examples of each, between fair, unfair and automatically unfair dismissals. You are also required to discuss which labour legislation applies to these types of dismissals.

[15 marks]

QUESTION B.3

Set out three areas of intellectual property law you have studied and briefly describe the subject matter, essential requirements and duration of each.
